Australian Cattle Dogs

## Puppy deposit for upcoming litter

**Deposit amount:** \$250.00

1. I understand that the deposit I am submitting is to reserve a puppy from any available future planned litter(s), and that the amount I am submitting will be applied to the purchase price of my ACD puppy.
2. I understand that a deposit constitutes the intent to purchase a puppy based on my puppy application preferences, but not insurance that there will be a pup available for me from the upcoming litter(s).
3. I understand that I will be required to sign a purchase agreement when my puppy is chosen, that lists both my obligations to care for my puppy, and my breeder's guarantees to me (sample purchase agreements can be found on our website [www.LakotaCattleDogs.com/sample.pet.pdf](http://www.LakotaCattleDogs.com/sample.pet.pdf) .)
4. I understand that my deposit is non-refundable; however, full refund of my deposit will be made under the following circumstances:
  - a. In the event that my questionnaire and the references listed therein lead the breeder to decide that I am not a good candidate for an Australian Cattle Dog puppy from this litter.
  - b. In the event that there is not an available puppy in the planned litters within one calendar year from the date of my deposit (in this case, deposit can be refunded or carried over to next planned year at buyer's discretion).
5. As we usually have a large contact list, we do not put people in order by application date. When we have a litter confirmed as successfully on the way, we email our entire contact list that we are accepting deposits at that time, and picking order is then established by when deposit is received.

If you have any questions about any part of this procedure please do not hesitate to ask!
